Self-service for enhanced player experience and improved social distancing

Pavilion Payments VIP Financial Center™ introduces a self-service, high-performance solution that enhances the player experience. Our full-service solution features self-service TITO, bill breaking, e-check, ATM and Cash Advance – all from a Pavilion Payments leader.

Extra high-capacity, less maintenance and more uptime

Our VIP Financial Center™ has been carefully designed to provide robust service capability, high dependability, easy serviceability and enhanced security, all in slim profile design. This enables our clients to achieve maximum value for the floor space occupied by their kiosk solution, while saving more room for revenue-producing slot machine or table games.

Enhanced security

Our VIP Financial Center™ features enclosed bill paths, a discreet PIN pad location, enhanced privacy screens and anti-skimming protection. The VIP Financial Center™ is also EMV compliant, offers real-time security alerts and integrates T31 controls and reporting.
